## Professional Summary

A service-minded, adaptable, and enthusiastic person with experience in film production and customer service with problem-solving and collaborative skills. Previous work as an event coordinator at Kanatana Group for international film festivals such as Thailand International Film Destination Festival and Busan Film Festival. Helped coordinate the staff/high-profile clients, and orchestrate events to make everything go smoothly. Currently studying digital marketing at Douglas College, looking for an opportunity to apply my knowledge and gain new experience in any given position.
